7th August 2014

Dear Parents,

This is to REMIND you that, from this year we have introduced a new subject – **INFORMATION AND COMMUNICATION TECHNOLOGY (ICT) SKILLS** for **Classes 9th and 10th in place of SCIENTIFIC SKILLS** under Co-Scholastic Activities category of CCE Evaluation system. For ICT, grades (A, B, C, D, E) will be awarded to the students depending upon the marks obtained by the students in written examination. ICT written examination will be conducted by the school for SA-I in Sept. 2014 and for SA-II in March 2015. This written exam will be of 50 marks (1 Hour duration) and grades will be reflected in the report card of SA-I and SA-II for 9th and 10th classes.

You are required to advise your ward accordingly.

With Best Wishes.

(Brinder Kaur)
Principal
